What we need:

As a member of the interprofessional team, you will support our philosophy of patient/family centred care. You will be responsible for the decontamination, instrument assembly, packaging/wrapping and sterilization of reusable equipment used throughout the Hospital, as well as the reprocessing duties of endoscopy equipment (colonoscopy, gastroscopy and cystoscopy). The successful candidate will be required to work 4 and 8 hour shifts; Monday through Friday. Please note schedules may change due to operational needs.

Physical Demands: Extensive standing while cleaning and packaging; pushing and pulling of carts and equipment; and lifting and carry equipment from reprocessing.

Who you are:

You are an innovative and patient centered individual who provides excellence within their profession

You are a team player with excellent communication, critical thinking and customer service skills

You have vision, flexibility, transparency, honesty and practicality

You are organized, accurate, able to multi task and meet deadlines

You support the patient experience, your colleagues and others cultural and spiritual beliefs

What you bring to MSH:

- Central Service Technician Certification (MDRAO certification &/or diploma from a recognized college sterilization program)
- Previous related experience in a hospital MDRD &/or endoscopy clinic setting is preferred
- High school graduate
- Demonstrated ability to trouble shoot equipment queries and/or utilize resources available to assist in this troubleshooting
- Knowledge of cleaning standards for instrumentation and endoscopy (PIDAC, MDRAO and accreditation Canada)
- Proficient computer skills
- Excellent customer service, interpersonal and communication skills
- Excellent organizational and prioritizing skills and the ability to meet deadlines
- Demonstrated resourcefulness and the ability to work independently and take initiative as required and appropriate
- Demonstrated good attendance record with the ability to maintain this same standard
- Demonstrated commitment to a healthy and safe workplace for self and others (staff, patients, families, etc.) by taking all reasonable precautions and working in compliance with hospital related policies, health and safety legislation and best practices and completing relevant mandatory education as required

Markham Stouffville Hospital is committed to meeting the needs of all individuals in accordance with the Accessibility for Ontarians with Disabilities Act (AODA) and the Ontario Human Rights Code. Should you require accommodations during the recruitment and selection process, please contact Human Resources
